

MOTORRUMSAMUCK SMASHES 2 HOUSES

Losing control of his automobile while driving on First near P streets northwest yesterday, John Williams, of 132 P street northwest, ran his automobile into the houses at 1704 and 1706 First street northwest, causing considerable damage to both houses and the car.

The large touring car, according to the police, ran across the sidewalk and first crashed into the home of James A. Noyes, at 1706 First street northwest. Part of the front wall of the home was demolished and all the front windows broken.

The force of the collision caused the machine to swerve and crash into the front steps of the home of Mrs. Katherine Biondi, 1701 First street. Damage to the steps is estimated at \$50, while the damage to the Noyes' home is estimated at \$200.

Williams' automobile was badly damaged. He told the police that the steering gear broke and the machine became unmanageable.

Miss Ella Polpek, twenty-two years old, of 210 Upshur street northwest, was removed to the Emergency Hospital yesterday suffering from a broken leg sustained when she was knocked down by an automobile operated by J. H. Duffy, of 710 E street northwest, at Seventh and E streets northwest.

Slight damage resulted when an automobile operated by Dr. Paul Wood, of 329 East Capitol street, collided at Second and Pennsylvania avenue southeast with a street car of the Capital Traction Company.

An automobile operated by Frederick Martin, of 2735 O street northwest, collided with an unidentified machine at Twenty-second and Q streets northwest, last night.

"WASHWOMAN" CLEANS UP \$66

Police are today without a clue that would lead to the arrest of a young colored woman who yesterday afternoon represented herself at several houses on Massachusetts avenue as a washwoman and robbed the residents of \$66.

The woman obtained \$20 when she appeared at the home of the Misses Martha Townsend and Marjorie Richards, at 1415 Massachusetts avenue, and obtained the remaining \$46 when she visited the rooms of Miss Annie Baldwin and Miss G. Harwood, who occupy apartments at 1415 Massachusetts avenue.

Renato de Macedo Sodre, an attaché of the Brazilian embassy, reported to the police last night that a gold watch and chain, valued at \$100, had been snatched from him by a colored man while he was walking on Fourteenth, near Wallace, street northwest.

According to the police, the negro approached the attaché and asked him for the time. Sodre drew his watch from his pocket, and as he did so the negro grabbed it and fled. The police have been furnished a description of the highwayman.

PENSION BILL MAY PASS THIS SESSION

Officials of the Civil Service Retirement Committee have been busy at the Capitol this week trying to get a special rule reported out of the House Rules Committee for the consideration of the Keating-McKellar pension and retirement bill for Government employees.

They are hopeful such a rule will soon be allowed them. The Rules Committee is under pressure from a large number of House members to take action. Congressman Keating is keeping up the fight for the measure and he has the backing of many other members.

Officials of the various organizations of Government employees today declared there still was good prospect of action this session.
